GUIDE FOR USERS

STEP 01

Choose an appropriate cocktail name. Please note that the name must be unique.

STEP 02

Write a cocktail description. Keep it short but informative.

STEP 03

Choose an alcohol type. If a cocktail includes more than one, please choose the “base” alcohol type.

STEP 04

Please make sure you separate ingredients with a comma. If any additional information is needed, please use brackets.

STEP 05

Please keep preparation instructions as short as possible. Remember to keep your instructions in order.

We value your contribution to the Mixologymaster! Thank you for choosing us.
